Carmen Sandiego

Sven Galli

What a find! It's hard to believe we met when Sven was leaving a Stones concert and tried to steal MY purse. Now he's one of the vilest of the V.I.L.E.

Vital statistics:

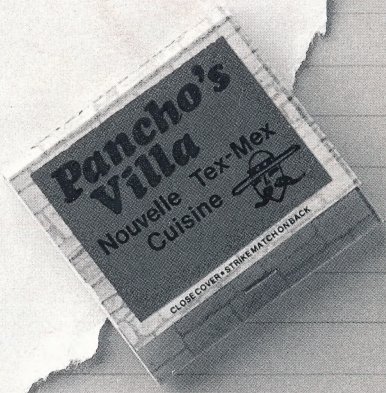
Height - 5'10"

Weight - 150 lbs

Hair - Red

Sign - Taurus

Hobby - Hockey



Souvenir of our first tete-a-tete. (He read my fortune in the refried beans)

Gypsy Rose Lasagna

Here's Gypsy too busy reading palms to eat her favorite food, tacos, so I'm doing it for her. Yum!!

Met Gypsy at her combination tea room/used hub cap shop in East Plainsville. Walls were covered with her priceless collection of stolen rock and roll posters.

Taboo subject:
Never mention that blondes have more fun

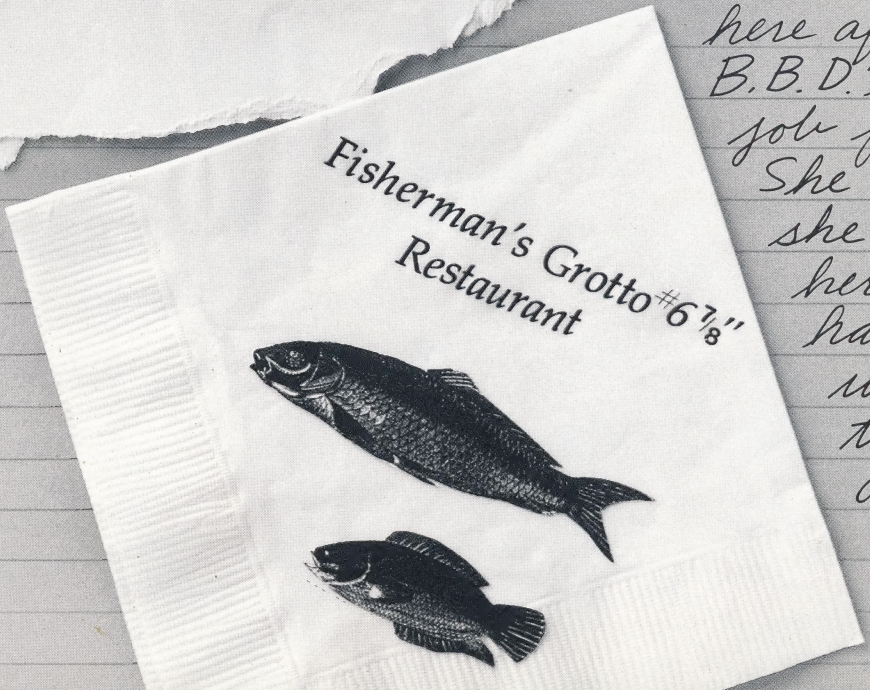
Favorite gem:
Onyx (to match her hair)

Gypsy sold hubcaps to everyone on her favorite team.

B.B.D. O'Brien
What a gal! Always willing to share her advertising knowledge with a co-worker. When I recruited her she was selling hot copies of Choplifter on a street corner in San Rafael.

Special talents:

Plays accordion. Moonlight Sonata, her favorite piece. Great sandlot pitcher. Her dream is to explore Sinbad's cave.



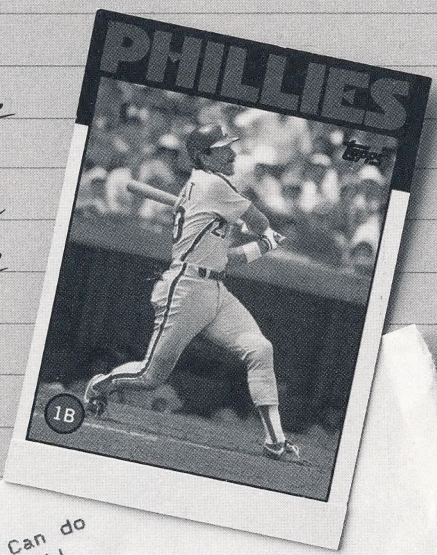
We had lunch here after B.B.D.'s first job for us. She confessed she hated her brown hair and was thinking of dyeing it peacock blue.

Sheriff Paul Drive

Here's Paul entertaining his fellow workers down at the big supply depot. They're sure thrilled.

Met the big Blond hunk on his way to a Crayfish Feed.

A memento from Paul's collection. His big dream is to see himself on one of these!



Name: "Sheriff" Paul Drive
Occupation: Drug-store cowboy (unemployed)
Favorite movie: Godzilla at the OK Corral
Last book read: The Joy of Changing Your Oil Filter

Good at truck driving. Can do wheelies with his forklift!

Ken Hartley Reed

Ken dining in style on fish sticks on the patio of his favorite restaurant, L'Obster Verde. I've been trying to convince him to put a streak in that mousy brown hair of his, but no luck so far.

Achievements:

1) Stole trophy from star forward after losing in a game of one-on-one.

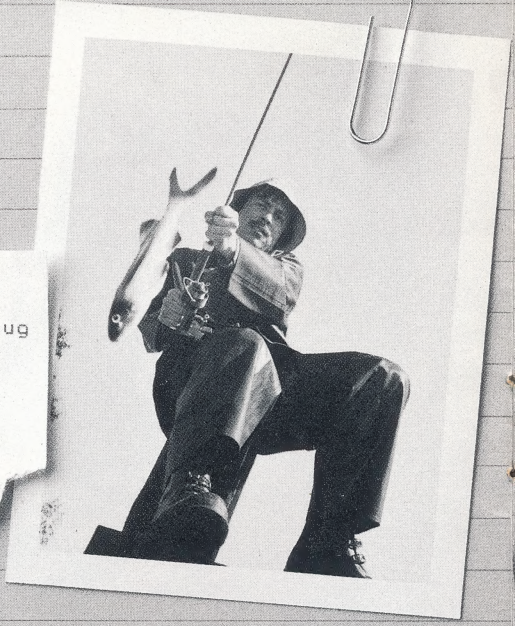
2) Won fifth-grade spelling bee. Winning word: spelunking.

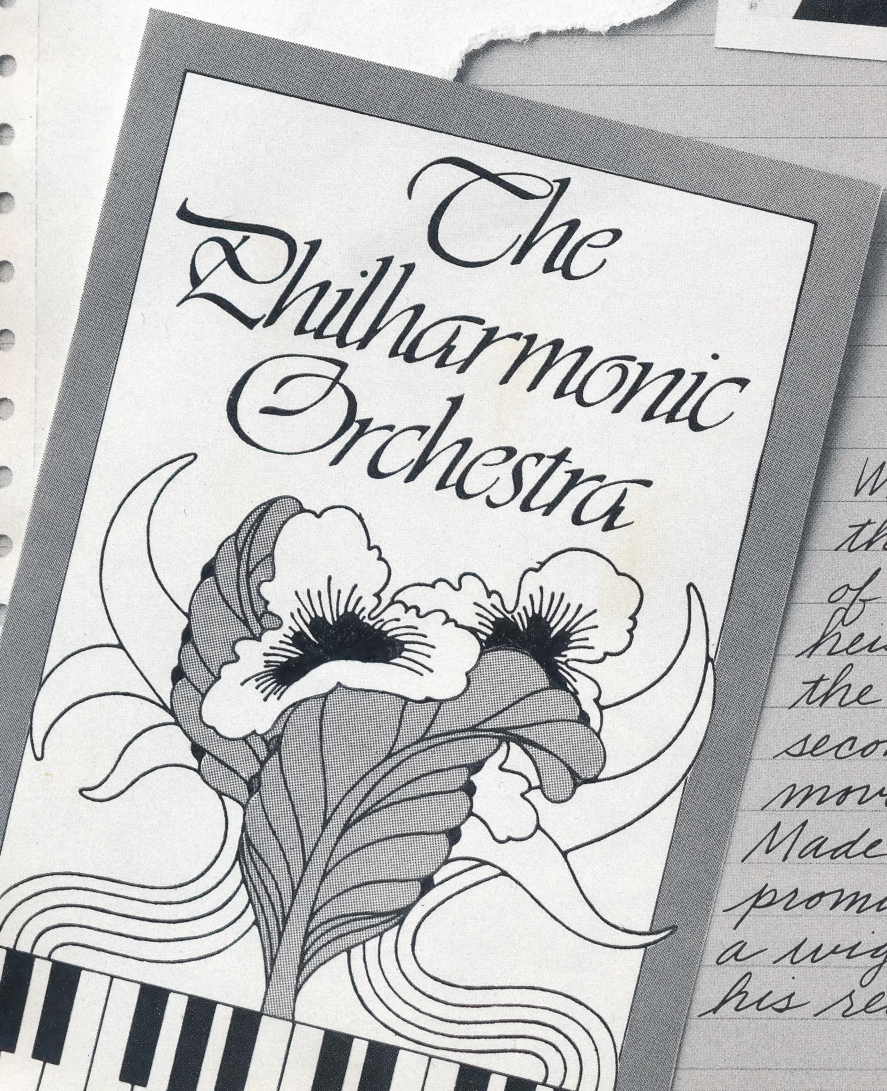
Talents:

1) Can play Beethoven's Fifth backwards on his harmonica!

Titus Canby

Name:	Titus Canby
Occupation:	Lobsterman, safe cracker, thug
Favorite movie:	Plan 9 from Outer Space
Last book read:	The Carlsbad Caverns Diet
Favorite drink:	Clam juice
Favorite team:	San Francisco 49'ers

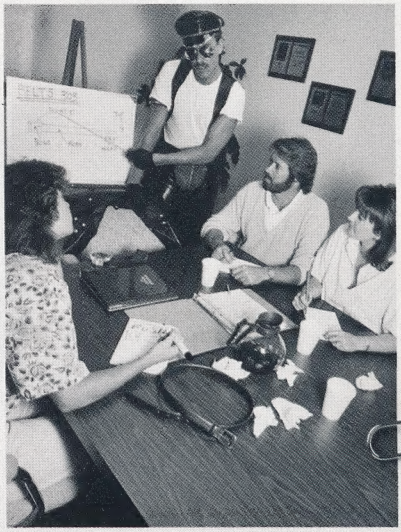




We planned the Statue of Liberty heist between the first and second movements. Made Titus promise to wear a wig to hide his red hair.

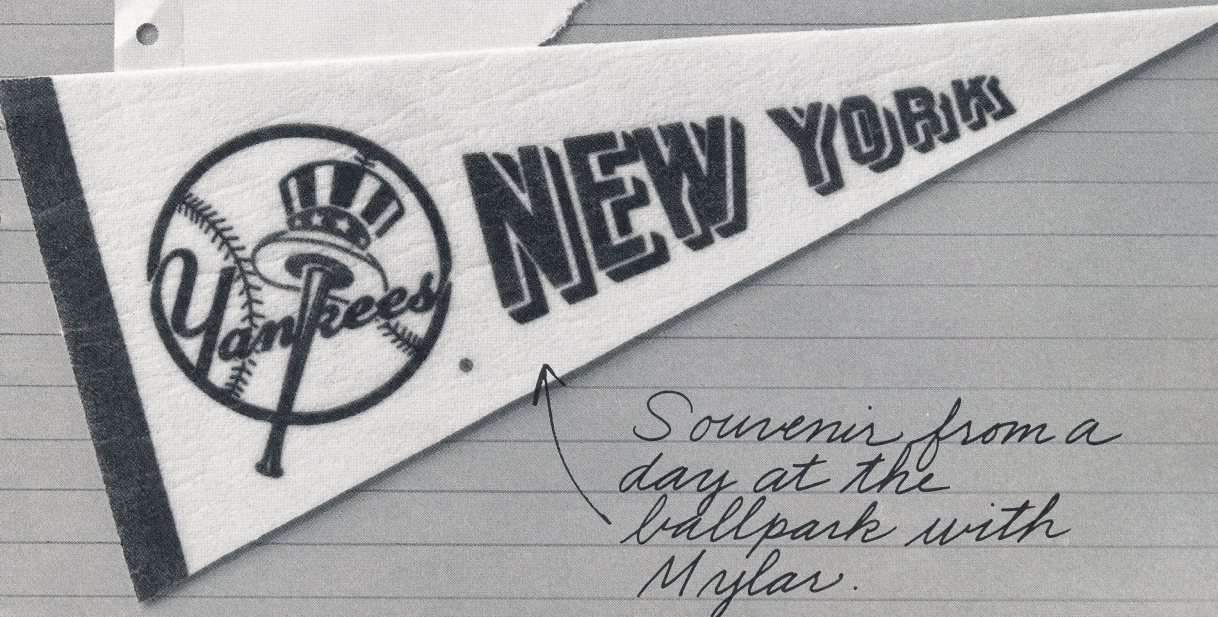
Mylar Naugahyde

This was taken at the Street Merchant's Institute for Advanced Studies where Mylar is on the faculty.



Real name: Mylar Naugahyde
Alias: Kard Shark
Alias: Phantom of the Opera

Favorite sayings:
Blonds have more fun.
Pass the grits.
Wanna bet?



Souvenir from a day at the ballpark with Mylar.

Brenda and Colvina Vanderbelt

Double trouble! Off to the big game and a day of fun, fun, fun for the dynamic duo.

How to tell them apart:

1. Brenda has an extra tooth.
2. Colvina stirs her coffee with a teaspoon; Brenda uses a tablespoon.
3. Brenda's hair color is Bleeding Heart #5; Colvina's is Fire Engine Gloss.

Special Talents:

Lip reading

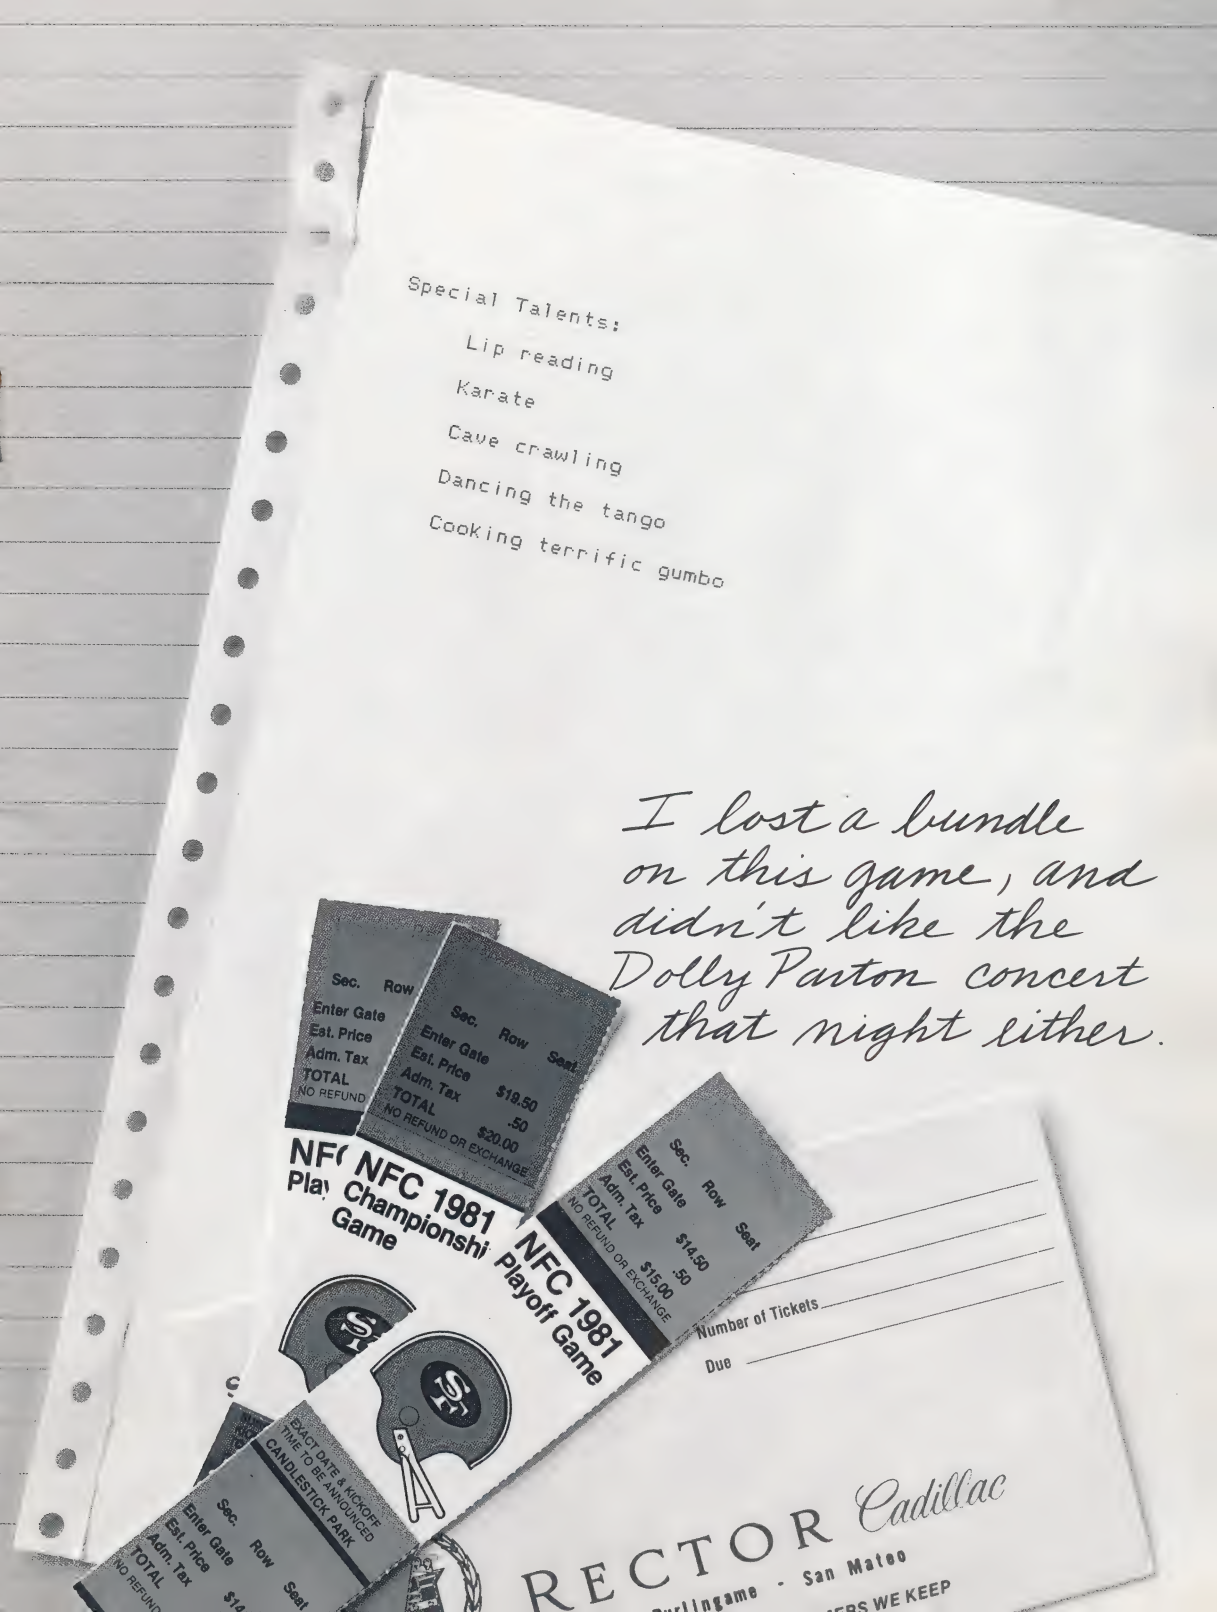
Karate

Cave crawling

Dancing the tango

Cooking terrific gumbo

I lost a bundle on this game, and didn't like the Dolly Parton concert that night either.



Karl La Fong

Mud peddler extraordinaire! Karl's 1,000th sale at Fragrant Pines Marina and Ski Lodge Estates. What a guy. (He looks much better since he dyed his hair black.)

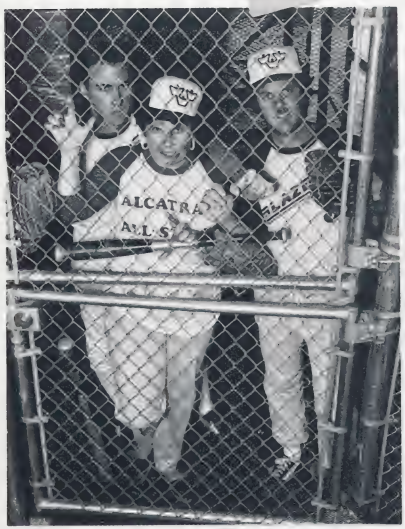
Page from Karl's datebook. Picked this up from the floor of the Tacoteria. Need to warn Karl. Stuff like this could be used for blackmail.

Polly Esther Fabrique



Taken after the big game and not a brown hair out of place!
Final Score: All Stars 4
Drag Nets 3

Souvenir of dinner at Polly's favorite restaurant. She sang "The Bell Song" between coffee and dessert. Got a standing ovation.

Hobbies:

- Needlepointing scenes of famous disasters
- Playing old Caruso records
- Designing tarot cards

Heidi Gosikh

My favorite blonde. This was taken the day she went to the Waylon Jennings show. She was so excited.

Haven't tried this one yet.

From the Kitchen of Heidi Gosikh

Southern Fried Chicken Mysterioso

1) Steal one medium size chicken for each four guests...

2) Pluck

(over)

Strengths: Genius with an oil can and wrench. No troubles with your getaway car when tuned by this lady.

Weaknesses: Don't plan a job when a hockey game's on the tube. Better yet, don't even call.

Venus H. Pencil

Taken on her last day on the job. Oh well, Word Processing's loss is Crime's gain. She'll have to take out her aggressions on the sink now. (She's one terrific goalie.)

Best used to distract a crowd. Also good playing goalie.

Bio:

Former word processor
Sang lead in "Barber of Seville"
Co-authored "The Scarlett O'Hara Cookbook"
Wrote article on why blondes have more fun

Expenses from the Pencil's last caper. Have to talk to her about these!

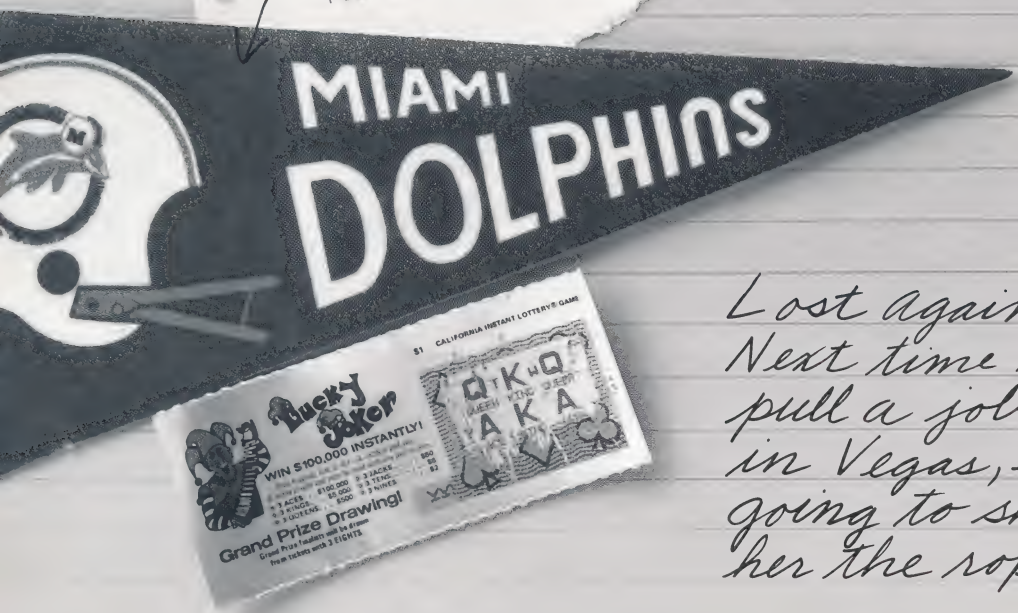
Wendy Pauper

Half-time madness! Wendy and the lead guitarist from Reeking Sewage tear things up at the stadium.

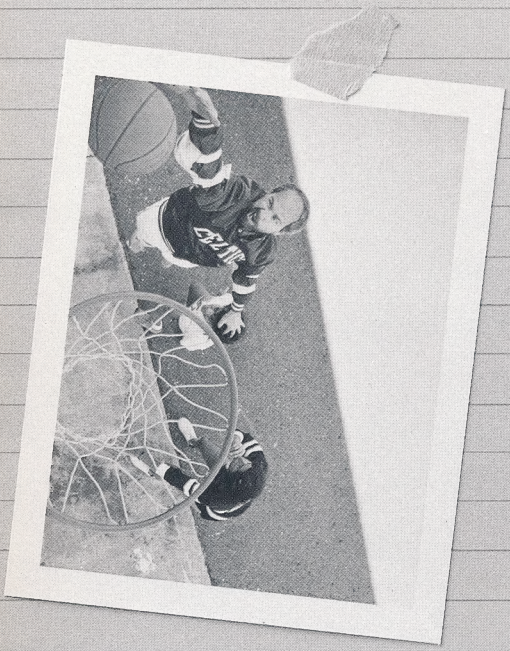
Great addition to the team! Recruited her 8/15 from a club on the outskirts of Cleveland. Cooks great chicken creole.

She never misses a game! (The team even gave Wendy her own helmet.) Too bad it'll cover her gorgeous red hair...



Lost again! Next time we pull a job in Vegas, I'm going to show her the ropes.

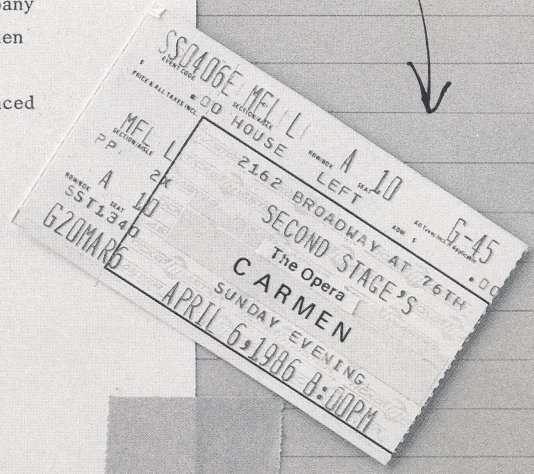
Aleksander Graham Edison



Aleksander engaged in his (and my) favorite sport. (That's me keeping score.)

Souvenir of our first date. I listened to this while he fixed his carburetor. Too bad I don't like opera.

NOTES: This blushing brown-haired beauty was a lineman laid off by the local phone company when I met him in a we-never-close fried chicken bar. He was planning to use his training to become a freelance gene splicer until I convinced him to sign up with V.I.L.E.



Benjamin Hana

The chef picks his "menu" for tomorrow with a little help from a "friend." (Just horsing around, of course.)

Benjamin's Folly! The only good tips he's had lately are on asparagus, not horses.

Jet black hair (just like mine!), impish grin, cute little ears, and cooks a terrific shrimp creole. So glad we met when we did.

Employment history:
Martial arts instructor
Goalie for Calgary Flames
Backup guitar man at the Palomino Western Bar
